County Criminal History Report Summary

- This reports criminal activity from individual, selected counties -- anywhere in the U.S.

- It includes the details of all felony and misdemeanor arrests and charges, giving you the disposition of each record within the boundaries of the FCRA.

- You get a complete picture of each record with no need to request additional reports.

- Average turnaround times for county reports are 36-72 hours.

Features

- Selection.com's nationwide network of independent researchers report criminal results from searches at the county courthouse level, the most accurate source available.

- A criminal history request requires the following information: name, Social Security Number, date of birth and counties to be searched.

- Records will be returned as verified by name, date of birth, and / or Social Security Number.

- Results will be detailed as any combination of: clear, misdemeanors found, felonies found, current warrant, DUI, and / or capias.

- Reports may indicate if an applicant has ever used an alias.

- You also will see a combination of the following information for each offense: violation date, indictment date, file date, disposition date, sentencing date, case number, description of charges, violation code, disposition and sentencing information.
